WORK EXPERIENCE

Internshala Student Ambassador Hackerearth

10/2016 – Present

Achievements/Tasks

- Organised many coding related competition in college which helped me to sharpen my leadership and management skills

Contact: Prashant Golay – 882601126

PERSONAL PROJECTS

Water Management System (07/2017 – 08/2017)

- Through android app and mail alert we would get to control over water resources in our house.
- IOT , android and python is being used in completing this.

Scientific Calculator (10/2016 – 11/2016)

- This capable of all types of arithmetic calculation and also include age calculation.
- Python and its module(tkinter) is being used to make this.

EDUCATION

B.E(COMPUTER SCIENCE) 9.12(SGPA)

Army Institute Of Technology,Pune

2016 – Present

Till 3rd Sem

9.12

- First Sem - 8.86
- Second Sem - 9.42

12(CBSE)93.8%

Army Public School,Lucknow

2014 – 2015

10(CBSE) 10(CGPA)

Army Public School,Lucknow

2012 – 2013

SKILLS

C++/OOPS

Python(2.6+)

HTML/CSS

Git

Data Structure/Algorithm

Operating System(Linux)

Wordpress

C

ACHIEVEMENTS

Winner of Rajkot Smart City Hackathon (08/2017 – 08/2017)

We have bagged 3rd position and best innovating project among 285 teams qualified for finals across all over India.

Competitive Exams

Cleared JEE Advanced and AAT (Architecture Aptitude Test for IITs) , secured AIR 587 in state Engineering Exam.

CERTIFICATES

NPTEL (2016 – 2017)

(Data Structure and algorithm in Python,Programming in c++)

Technical Events (2016 – Present)

Participated in many inter college coding events and innovation challenges and performed well.
